

THE KITTEN

I have a little kitten,
Her name is Calies,
I pet her and take care of her,
Because I love her so!

FIVE LITTLE KITTENS

Five little kittens
Sleeping on a chair.
One rolled off,
Leaving four there.
Four little kittens,
One climbed a tree
To look in a bird's nest,
Then there were three.
Three little kittens
Wondering what to do.
One saw a mouse,
Then there were two.
Two little kittens
Playing in the hall.
One chased a ball,
Leaving one, that's all.
One little kitten
With fur soft as silk.
Was left all alone
To drink a dish of milk

CATS

Eleanor Farjeon

Cats sleep
Anywhere
Any table
Any chair
Top of piano
Window ledge
In the middle
On the edge
Open drawer
Empty shoe
Anybody's
Lap will do
Fitted in a
Cardboard box
In the cupboard
With your frocks
Anywhere
THEY don't care
Cats sleep
Anywhere.

WARM KITTY

Warm kitty, soft kitty
Little ball of fur.
Sleepy kitty, happy kitty,
Purr, purr, purr.

Five Little Pussycats

Five little pussycats
Playing near the door;
One ran and hid inside
And then there were four.
Four little pussycats
Underneath a tree;
One heard a dog bark
And then there were three.
Three little pussycats
Thinking what to do;
One saw a bird
And then there were two
Two little pussycats
Sitting in the sun;
One ran to catch his tail
And then there was one.
One little puss cat
Looking for some fun;
He saw a butterfly
And then there was none.

GREAT BIG CAT and TEENY LITTLE MOUSE

There was a GREAT BIG CAT
(Say the "great big cat" in a big voice)
And a TEENY LITTLE MOUSE
(Say "teeny little mouse" in a small squeaky voice)
Who ran around and around
(Roll cat and mouse around each other)
In a tall, tall house!
(Stretch arms above head)
Until that TEENY LITTLE MOUSE
(Say "teeny little mouse" in a small squeaky voice)
Got caught at last
(Have cat catch mouse)
Because that GREAT BIG CAT
(Say the "great big cat" in a big voice)
Ran around so fast!
(Roll cat and mouse around each other real fast)

THERE MUST BE A MOTOR

There must be a motor inside my cat.
What else could it be to sound like that.
I know how to start it by rubbing its fur,
But I've never learned how to stop that purr!

The Kitty

Elizabeth Prentiss

Once there was a kitty
Whiter than the snow;
In a barn she use to frolic,
Long time ago.

In the barn a little mouseie
Ran to and fro;
For she heard the kitty coming,
Long time ago.

Two eyes had the kitty,
Black as coal;
And they spied the little mouseie,
Long time ago.

Four paws had little kitty,
Paws as soft as dough,
And they caught little mouseie,
Long time ago.

Nine teeth had little kitty,
All in a row;
And they bit the little mouseie,
Long time ago.

When the teeth bit little mouseie,
Little mouse cried, "Oh!"
Then she got away from kitty,
Long time ago.

That's a Cat

Judy Woodworth

I'm a cat, I have very soft fur.
When you pet me, you'll hear me purr.
I also meow and sometimes mew,
That's my way of talking to you.
My favorite thing is to take a long nap,
All curled all up in a loving lap.
I have a long, expressive tail,
It's like my flag, my signal, my sail
So I can leap and climb, and rarely fall,
And easily walk atop your backyard wall.
Long, strong whiskers adorn my face,
Helping me judge the size of a space.
I chase and stalk and hunt all day,
Sometimes for food, but mostly for play.
So if you're a child, come into my house,
But beware, I say, to the wandering mouse!

MY KITTEN

I have a little kitten,
She's black and white and gray.
When I try to cuddle her,
She always wants to play.
So I drag a piece of yarn
Across the kitchen floor.
She thinks it is a mouse,
And always asks for more.
