

I'M A LITTLE SNOWMAN

Tune: *I'm a Little Teapot*

I'm a little snowman short and fat.

Here is my scarf, here is my hat.

When the snow is falling come and play.

Build a snowman everyday.

I'm a little snowman short and fat.

Here is my scarf, here is my hat.

When the sun comes out, I can't play.

I just slowly melt away!

FIVE LITTLE SNOWMEN

Five little snowmen knocking at my door,

One melts away, then there are four.

Four little snowmen playing with me,

One melts away, then there are three.

Three little snowmen playing with you,

One melts away, then there are two.

Two little snowmen playing in the sun,

One melts away, then there is one.

One little snowman when the day is done,

Just melts away, then there are none.

I'M A SNOWMAN

I'm a snowman cold and white,

I stand so still all through the night,

I have a carrot nose way up high,

And a lump of coal to make each eye.

I have a scarf all colored red,

And a tall black hat upon my head.

Five Little Snowmen

FIVE little snowmen made of snow,

Five little snowmen all in a row.

Out comes the sun and shines all day,

And ONE little snowman melts away.

FOUR little snowmen...

THREE little snowmen...

TWO little snowmen...

ONE little snowman made of snow.

One little snowman left in the row.

Out comes the sun and shines all day,

And the last little snowman melts away!

ONCE THERE WAS A SNOWMAN

Once there was a snowman

Who stood outside my door,

He thought he'd like to come inside

And run around the floor.

He thought he'd like to warm himself

By the fireside red.

He thought he'd like to climb upon

The big white bed.

So he called to the North Wind

"Help me now, I say.

I'm completely frozen

Standing here all day."

So the North Wind came along

And blew him in the door

And now there's nothing left of him

But a puddle on the floor!

I AM A SNOWMAN

Now I am a snowman

(Stand with arms out)

Standing on the lawn.

I melt and melt and melt

And pretty soon I'm gone.

(Body slumps and voice fades)

SNOWBALLS ROLLING DOWN THE STREET

Jean Warren

(Tune: *Frere Jacques*)

Great big ball rolling down the street,

Great big ball landing at my feet.

(Form large circle with arms)

How it got here, I don't know,

A great big ball made of snow.

Medium-sized ball rolling down the street,

Medium-sized ball landing at my feet.

(Form medium-sized circle with arms.)

How it got here, I don't know,

A medium-sized ball made of snow.

Teeny tiny ball rolling down the street,

Teeny tiny ball landing at my feet.

(Form small circle with hands.)

How it got here, I don't know,

A teeny tiny ball made of snow.

Three round balls made of snow,

Now just watch my snowman grow.

(Pretend to build a snowman)

Up go the balls, one, two, three,

Now my snowman's as big as me!

FIVE LITTLE SNOWMEN FAT

Five little snowmen fat,

Each with a funny hat.

Out came the sun and melted one,

What do you think of that!

Down, down, down,

He melted to the ground,

Leaving...

Four little snowmen fat,

Each with a funny hat.

Out came the sun and melted one,

What do you think of that!

Down, down, down,

He melted to the ground,

Leaving...3

Leaving...2

Leaving...1

Leaving...none

Five hats are all around,

No snowmen can be found.

But have no fear,

The sun will disappear.

Five snowmen will come back

What do you think of that!

CUTE LITTLE SNOWMAN

A cute little snowman

Had a carrot nose.

Along came a rabbit,

And what do you suppose?

That hungry little rabbit,

Looking for its lunch,

Ate that snowman's carrot nose,

Nibble, nibble, crunch, crunch.

I WILL BUILD A SNOWMAN

I WILL BUILD A SNOWMAN,

MAKE HIM BIG AND TALL.

(Make stacking movement)

SEE IF YOU CAN HIT HIM

WITH A BIG SNOWBALL.

(Pretend to throw a snowball)

FIVE LITTLE SNOW PEOPLE

(Have children act as indicated)

Five little snow people, jolly and fat.

The first waved a big black hat.

The second one clapped his hands in the cold.

The third one's eyes blinked and rolled.

The fourth one stomped his feet up and down.

The fifth one turned round and round.

MR. SNOWMAN

(Hold up both thumbs. Wiggle one when the snowman talks, wiggle the other when the child talks)

CHILD: Hello Mr. Snowman. How are you today? (Wiggle right thumb)

SNOWMAN: I'm fine little friend. What a sunny day! (Wiggle left thumb)

CHILD: Come on Mr. Snowman. Come and play with me. (Wiggle right thumb)

But the snowman had disappeared. A puddle was he. (Hide left thumb inside your palm.)
